

MANVI SINGH

D/O RAJESH SINGH DEOSIA BANGAR DEORIA,U.P.-274602

(+91)9354527973, ms127116@gmail.com

EDUCATION:

Raj Kumar Goel Institute of Technology, Ghaziabad Bachelor in Technology Department of Computer science and Engineering Current SGPA: 8.1	July 2018 - Present
MD MEER ALI M S N I C KOTHILWA DEORIA, U.P. Intermediate Percentage: 83.4%	Passed in 2017
Little Flower School, Salempur , U.P. Metric Percentage: 71.1%	Passed in 2015

CAREER OBJECTIVE:

To work for an organization which provides me the opportunity to improve my skills and knowledge to grow along with the organization objective.

PROJECTS:

- Library Management System-

Our project in C Library Management System is a console application without graphics developed using the C programming language. It is compiled with the GCC compiler. In this, we can perform book-related operations like in a REAL library management system with computer. Here, we can perform functions such as add books, return books, issue books, delete record of books issued, view record of books issued, search for books, and more. File handling has been extensively used in this project for almost all functions.

- Chrome Extension-

One of the biggest issues people face online is trolling. Here we are developing a chrome extension specifically for twitter where trolling can be controlled as well as there is a data intelligence to collect information about trolls and report them accordingly. The problem is to identify the abusive tweets

written in English and Hindi, report the troller accordingly as well as hide those tweets until the user intends to see or read them. Major Technologies we have used are JQuery, Javascript, Python, AJAX and Machine Learning.

TECHNICAL STRENGTHS:

Programming & Skills - JAVA, C , Data Structures , Github, Python, Javascript, CSS,HTML

Software & Tools -Wordpress, Git

Web Technologies- Node.js, Express.js, Flask

HONOURS AND ACHIEVEMENTS:

- Successfully completed PYTHON specialization certification on coursea
- Worked as a Student Volunteer in College Fest 2019
- Certificate of appreciation in Hackathon 2019.

PERSONALITY TRAITS:

- Highly motivated and eager to learn new things.
- Ability to work as an individual as well as in group.
- Good decision making and analytical skills.
- Good level of patience.
- Possess positive attitude.

INTERESTS:

- Creative Writing
- Painting
- Photography
- Badminton
- Reading
- Watching sci-fi movies
